Asbestos Management Plan Notification

Dear Parents, Teachers and Staff of the Lehigh Valley Academy Regional Charter School:

The Lehigh Valley Academy is providing notification that the Asbestos Management Plan is available for review by all interested parties. In order to see the Asbestos Management Plan, please contact the office at the Primary School and make arrangements to review the plan in that office.

Although Lehigh Valley Academy is located in a fairly new Corporate Center, an Asbestos Management Plan is required to be on file at the school in compliance with TSCA-AHERA regulations and with the EPA. This plan is to be reviewed yearly.

Sincerely,

Holly Parkinson
Director of Operations
